General information

Article number : 37540010 Galena unisex Aware™ recycled full zip sweater

Description : The Galena unisex recycled full zip sweater – a perfect fusion of style and functionality. Made of 320 g/m² recycled cotton and recycled polyester. Practicality meets aesthetics with front pockets and a recycled front zipper. The sweater incorporates Cyclo® recycled fibres where they use pre-sorted waste that determines the colour of the yarn. These fibres do not only reduce the demand for virgin resources but also exhibit a commitment to a circular life, embodying the essence of reducing waste and promoting a closed-loop system. Each sweater also comes with an Aware™ tracer. This innovative feature allows users to trace the origins and journey of their item through a QR code, enhancing transparency in the supply chain and fostering a stronger connection between the product and its production process. With environmental awareness growing, the Galena unisex full zip sweater is the ideal choice. Knit of 50% Recycled cotton and 50% Recycled Polyester, 320 g/m².
