General information

Article number : 10089801 LARQ PureVis™ 2.0 1000 ml water bottle

Description : The LARQ PureVis™ 2.0 water bottle is a 1000 ml all-in-one self-cleaning and water-filtering bottle with smart hydration tracking. It enhances water quality through a 2-stage filtration and UV-C purification process, delivering cleaner, better-tasting water. The UV-C LED in the cap activates automatically every two hours to keep the bottle clean and odour-free, or you can manually start a PureVis™ cycle at the touch of a button. With a long-lasting battery, the bottle runs for up to 2-3 weeks on a full charge via the USB-C port. The cap features a built-in, detachable soft-touch handle for convenient carrying. Smart sensors track your water intake automatically, while the LARQ app provides insights and progress. Filters should be replaced regularly for optimal performance. Stainless Steel.

Brand : Larq

Material : Stainless Steel

Colour : White

Height : 28,60 cm

Diameter : 8,30 cm

Weight : 439 gram

Country of origin : PRC
