## General information

Article number : 12076502 Trip Aware™ recycled travel bottle bag 2L

Description : The Trip Aware™ recycled travel bottle bag is a practical and lightweight solution for staying hydrated on the move. Made from 290D twill polyester with a knitted backing and lined with RPET 210D/PU, it offers both durability and considered design. The main compartment features a drawstring closure and fits both large bottles with handles and smaller bottles, with a rear opening for easy access. A front pocket holds essentials such as a phone, and includes an internal slide pocket and a ribbon for securing keys. An adjustable strap and side handle offer flexible carrying options. Each bag also comes with an Aware™ tracer. This innovative feature allows users to trace the origins and journey of their item through a QR code, enhancing transparency in the supply chain and fostering a stronger connection between the product and its production process. Volume capacity: 2 litres. Recycled Polyester.
