## **General information**

**Article number** : 12445101 Kooduu Sensa Play Mini JBL portable speaker and lamp

**Description** : Discover exceptional sound and atmosphere with the Kooduu Sensa Play Mini, featuring sound by JBL. This stylish and innovative device combines high-quality audio with soft, ambient lighting to create an immersive experience that suits any setting—whether you're at home, hosting friends, or unwinding outdoors. With its sleek, modern design and advanced technology, the Sensa Play Mini is more than just a speaker; it's a true lifestyle accessory. It includes a powerful 10-watt full-range speaker and connects effortlessly via Bluetooth 5.3. You can enjoy up to 10 hours of continuous play time, powered by a 2200 mAh rechargeable battery that fully charges in just 3.5 hours. The warm white LED light has a colour temperature of 2900K and a brightness of 120 lumens. A built-in dimmer lets you adjust the light to five levels: 12.5%, 25%, 50%, 75%, or 100%, depending on the mood. The device charges via a USB Type-C connection for added convenience. Steel, Plastic.
