## **General information**

Article : 1PA18890 Prixton Tempo 300 ml smart mug  
number

Description : The Tempo smart mug is designed to keep your drink at the perfect temperature for up to 1.5 hours on a single charge, thanks to its long-lasting battery. For continuous warmth, simply place it on the included charging coaster. The small LED display allows you to easily adjust the temperature between 50°C and 62.5°C, ensuring that every sip is just right. Its IPX6 waterproof rating means you can rinse it under running water without worry, though it should be hand-washed for optimal care. Combining smart technology with convenience, the Tempo mug ensures that your favourite beverages are always at the ideal temperature. ABS Plastic.
