General information

Article : 1PA19090 Prixton Roma portable coffee maker
number

Description : The Roma portable coffee maker is designed for coffee lovers who want to enjoy freshly brewed, high-quality coffee wherever they go. Perfect for any adventure, it features a rechargeable battery that charges easily via a USB Type-C cable. With 15-bar pressure, it ensures optimal extraction, delivering a rich aroma and deep flavor in every sip. Compatible with both ground coffee and Nespresso® capsules, it offers a seamless brewing experience. A single button controls the entire process, making it easy to prepare the perfect espresso. The 80 ml water tank and adjustable temperature settings (40°C, 60°C, 80°C, and 92°C) give you full control over your brew. Indicator lights show the charging status and temperature, and a full charge allows you to brew 4 to 5 hot cups, ensuring you stay energized wherever you are. ABS Plastic, PP Plastic.
