General information		
Article number	: 1PA19190 PxiXon Pegasus Advanced 1080P GPS drone	
Description	: The Pegasus Advanced GPS drone offers precise location tracking, ensuring you always know its exact position. It captures stunning high-quality photos and records Full HD videos at altitudes of up to 150 meters, delivering crisp and detailed results. Its advanced "Optical Flow" technology stabilizes the drone during flight for smooth, sharp footage. The included remote control features an LED screen, allowing you to monitor recordings in real time. With WiFi integration, you can also control the drone through the LW Pro App on your smartphone for added convenience. For increased safety, the drone includes built-in lights and a reliable "return home" function that automatically guides it back to its starting point. Spare propellers are also included for easy maintenance and continued performance. ABS Plastic.	
Brand	: PxiXon	
Material	: ABS Plastic	
Colour	: Solid black	
Length	: 20,00 cm	
Width	: 17,00 cm	
Height	: 6,00 cm	
Weight	: 181 gram	
Country of origin	: PRC	
Transport packing		
Export carton	: 24 PC	
Export carton weight	: 22.4 kg	
Export carton (Length x Width x Height)	: 57 cm x 41.5 cm x 53 cm	
Statistical code	: 8806221049990000000000
