General information

Article number : 1PA19431 PRIXTON KR250 Kneader high-performance mixer

Description : High-performance mixer that delivers 1500 watts of power, making it ideal for kneading, beating, mixing, and whipping with ease. It features a durable 5-liter stainless-steel bowl designed for heavy use. The mixer includes three essential accessories: an aluminium beater, an aluminium dough hook, and a stainless-steel whisk for versatile baking and cooking needs. The lid is designed to assist you while cooking, offering convenient molds and mini tools. The speed control dial is highlighted by a stylish blue LED light for easy visibility. For added peace of mind, the mixer integrates a safety system that protects against overheating and overloading, ensuring reliable performance every time. ABS Plastic, Stainless Steel.
