General information

Article number : 1PA19701 PRIXTON Dali 720P projector

Description : Experience your favorite series and movies like never before with the Dali projector. Offering HD 720P resolution and compatibility with Full HD 1080P, it projects crisp, clear images up to 120 inches at a maximum distance of 4 meters. Its Automatic Vertical Keystone correction ensures a perfectly aligned image every time. The built-in 3W speaker delivers clear sound, while the 180-degree rotation support allows for flexible, multi-angle projection. The Dali projector features a bright 4800-lumen LED light (110 ANSI lumens of white light) and a 500:1 contrast ratio for vibrant, detailed visuals. With a lifespan of 30,000 hours, it's designed for long-lasting performance. It includes HDMI and USB inputs for versatile connectivity and supports video, audio, and image playback. The added "sky light" and "ambient light" functions create an enhanced viewing atmosphere, while the included remote control makes operation easy and convenient. ABS Plastic, Glass.
