General information

Article : 1PA20701 Prixton smart wifi automatic pet feeder
number

Description : The smart WiFi automatic pet feeder offers a seamless blend of technology and convenience for pet care. Using the free Tuya app, you can easily schedule and manage your pet's meals with precision. Its FULL HD camera delivers clear, high-quality images directly to your smartphone, so you can monitor your pet anytime. A unique feature allows you to record your voice, which plays each time food is dispensed, creating a comforting and personal experience for your pet. The built-in microphone and speaker enable real-time interaction through two-way audio, letting you talk to and reassure your pet from anywhere. With a 4-litre food container and the ability to schedule up to 15 meals per day (with a maximum of 30 portions), it ensures your pet is always well-fed and cared for. ABS Plastic.
