General information

Article : 1PA20890 Prixton BM100 Combat boxing machine
number

Description : The Combat BM100 boxing machine offers a perfect blend of exercise and entertainment, helping you improve your reflexes and coordination while staying motivated. It features 9 intensity levels, with speed increasing as you progress through the modes. Guided by electronically controlled lights, the programs are designed to enhance reaction time, with sound effects providing instant feedback on accuracy. The machine also includes wireless connectivity, allowing you to pair your phone and play your favorite music for an energizing workout. It comes with gloves and a wall-mounting system, making it easy to set up and start training right away. ABS Plastic, MDF.
