General information

Article : 1PA21190 Prixtion DV50 smart wifi door guard viewer
number

Description : Enhance your home security with the innovative DV50 WiFi door guard viewer, designed to offer both convenience and peace of mind. Its PIR motion detector sends instant alerts to your smartphone whenever someone approaches your door, while the built-in doorbell adds extra functionality. The two-way audio feature allows you to communicate with visitors directly, with adjustable volume for clear sound. After just 8 hours of charging, the device provides up to 3 months of reliable use. It also includes a low battery reminder and an automatic shutdown function to improve efficiency. The DV50 supports SD cards of up to 64GB, giving you ample storage for recordings and visitor photos. For added convenience, the door guard viewer can be remotely managed through the free Tuya app, ensuring you stay connected wherever you are. ABS Plastic.
