General information

Article number : 1PX15590 SCX.design V40 15W wireless car charger/phone holder

Description : 15W wireless Type-C car charger that opens and closes via an infrared sensor which automatically detects the mobile phone. The technology and circuit board of this item is revealed thanks to the transparent casing. The charger can be attached to the ventilation vent of the car without it being pulled down thanks to the special included mount. With its autonomous motor the phone can be released even when the car engine is switched off. Delivered in a recycled cardboard gift box with magnetic closure (18.6 x 9.7 x 5.9 cm). ABS Plastic, PC Plastic, Acrylic.
