## General information

Article number : 1PX16690 SCX.design T30 10-function multitool pocket knife

Description : Practical and multifunctional pocket knife with 10 functions: needle nose pliers, regular pliers, cutter, sharp knife, serrated knife, philips screwdriver x2, can opener, slotted screwdriver and bottle opener. The compact size of this multitool knife makes it perfect to keep in a pocket, and it is also equipped with a durable nylon sheath for convenient carry on a belt or backpack. All tools have a black oxide coating, which is rust resistant and durable, and the handle has a carbon coating. When the knife is fully opened, the liner lock will secure the blade to prevent it from moving during use. To fold the knife, just press the liner lock lever to unlock the blade. Delivered in a cardboard gift box (14 x 6.7 x 5 cm). Stainless Steel.
