General information

Article number : 1PX22052 SCX.design L16 MagPack recycled laptop backpack

Description : Backpack made from recycled PU and PET plastic, featuring padded compartments for a laptop or tablet, along with integrated USB/Type-C connectors, and a micro USB adaptor. By connecting a power bank (optional) in the dedicated pocket, the backpack transforms into a mobile charging station. It closes with a magnetic front flap and waterproof zips, and its structured design and padded base ensure optimal protection for your belongings. Includes front metal plate branding, a non-woven storage pouch, and a 3-year guarantee. PU Plastic.
