## General information

Article number : 37546559 Tin unisex Aware™ recycled quarter zip sweater

Description : The Tin unisex Aware™ quarter zip sweater is made from 280 g/m² 50% recycled polyester and 50% recycled cotton. The functional quarter-zip design adds versatility and convenience, allowing you to easily layer the sweater and adjust comfort. The sweater incorporates Cyclo® recycled fibres where they use pre-sorted waste that determines the colour of the yarn. These fibres do not only reduce the demand for virgin resources but also exhibit a commitment to a circular life, embodying the essence of reducing waste and promoting a closed-loop system. Each sweater also comes with an Aware™ tracer. This innovative feature allows users to trace the origins and journey of their item through a QR code, enhancing transparency in the supply chain and fostering a stronger connection between the product and its production process. 50% Recycled cotton and 50% Recycled Polyester, 280 g/m2.
