General information

Article number	: 12420790 Pilot 15W wireless automatic car charger
Description	: 15W universal car phone holder and charger. With its FOD (Foreign Object Detection) sensor, this charger can easily be operated with one hand. Simple place the device on the charger and it will tighten automatically. Ideal for satellite navigation and for charging the phone while on the road. The phone can be placed in a vertical or horizontal position thanks to the 360° rotating clip. Compatible with all Qi devices (iPhone 8 or above and Android devices that supports wireless charging) and it also supports fast charging. Input 12V/1.67A. Wireless output: 15W (max). Comes with a 100 cm TPE Type-C cable and an instruction manual. Delivered in a premium kraft paper box with a colourful sticker. ABS Plastic.
