General information

Article number : 39331490 Banff men's hybrid insulated jacket

Description : The Banff men's hybrid insulated jacket – a perfect fusion of style and performance. The inner stormflap ensures that the wind does not come through the jacket, and the dropped back hem adds an extra touch of coverage for added warmth. The elasticated binding in a contrasting colour adds a stylish accent while ensuring a secure fit. The jacket's dull cire 380T woven fabric has a water repellent and downproof finish, made of nylon (38 g/m2). The contrast fabric is an interlock knit made of polyester and elastane (245 g/m2), adding flexibility and comfort. The fake down insulation of polyester provides lightweight warmth, perfect for chilly days. Dull cire 380T woven with water repellent and downproof finish of Nylon, 38 g/m2, Contrast fabric, Interlock knit of Polyester Elastane, 245 g/m2, Padding/filling, fake down insulation of Polyester.

Brand : Elevate Life
